Subject: ADB 43295-01 Technical Assistance: Climate  
Change Impact and Adaptation Study in the Mekong Delta

Dear Dr. Hoang,

The Department of Climatic Geography - The Institute of Geography would like to confirm our interest to associate with Vietnam Sustainable Development, Inc. (VSDI) for the ADB 43295-01 Technical Assistance: Climate Change Impact and Adaptation Study in the Mekong Delta.

In the event that our organizations be shortlisted and ultimately selected to provide consulting services, you can count on the full support of our institute. The Project is very much relevant to the mandate of our institute.

Thank you very much.

Very truly yours,

Assoc. Prof. Dr. Pham Hoang Hai

Deputy Director

Institute of Geography
